Where are you going with Christ?

Serve Underserved People in Uganda!

1. Our tenth ministry trip to Uganda focuses upon under-served areas. We've worked twice atop Mt. Elgon (rising 10,000'), and plan to work with leaders of seven churches there. Then we head for the Karamoja region, where about 80% live on less than \$1/day. Gulu is our third venue. Rebels were active in that area until 2006, and much healing is needed. We plan seminars for men and women, with opportunity for service to youth, children and the unsaved. We welcome medical personnel. We'll have ministry for teachers, preachers, evangelists, doctors and nurses, and those with micro-economic development skills.
2. The fee is \$2,100, plus round-trip airfare to Uganda, visa, immunizations and personal outfitting. Our agent provides discounted fares on quality airlines. Ask the Lord if this is your time, and this is your opportunity. Apply early. Upon acceptance, the earlier you reserve a seat the better. The cutoff date is Sept. 1.
3. This ministry trip will probably change your life, and possibly your church.
4. Our teams are relational and multi-ethnic.
5. Many serve on multiple trips with us. The team minimum is six members.
