SCHEDULING:

- (1) The greater the time interval before your decision to participate and your departure date, the better. Time is needed to make numerous field arrangements, to obtain a passport (allow three *months*), get immunizations, and especially to obtain financial support. With churches, months are often required before support is obtained.
- (2) Allow *one* month to obtain immunizations, a doctor's checkup and needed medicines.
- (3) Plan to make a \$500.00 deposit after acceptance, and \$1,800.00 six weeks before departure. **Checks in support of the mission trip should be made payable to RMNi and sent to** POB 2537, Chattanooga, TN 37409-0537. When sending funds, please be explicit as to the purpose of the funds (do not designate the recipient *on* the check—please use a separate note). Such gifts are tax-deductible. If your local church is willing, donors may donate to and be given a tax-deductible receipt by your church, and then the total forwarded on to RMNi by your church treasurer, according to the time schedule above.
- (4) Regrettably, tickets can only be issued after funds have been raised. Any cancellation fees incurred by RMNi will be passed along to the one canceling.
